

I am resending this again for those who didn't sign up the first time. The city is using EZ Texting communication to let customers aware of emergencies such as water shut offs, etc. This will only be for customers and one cell phone number per household. Please fill out the form below if you are interested and give consent to receive text messages from the City of Novinger.

Customer Name _____ Cell # _____

Address _____

I hereby give consent to receive text messages from the City of Novinger
